Product Description

Product introduction:

The environmentally friendly simulated rose flower wall background wall is an exquisite wedding arrangement and shop decoration tool. Using high-quality artificial roses as the main element, it creates a charming and romantic visual effect. As an environmentally friendly product, silk roses hydrangeas flower wall backdrop panel uses sustainable materials, which is in line with modern people's pursuit of environmental friendliness.

Features:

High degree of simulation: The carefully designed rose flowers have a simulation degree of more than 99%. The artificial rose flower wall provides real natural beauty for events and shops.

Environmentally friendly materials: Use environmentally friendly raw materials to ensure product safety, no odor, and conform to modern environmental protection concepts.

Multifunctional application: artificial rose flower wall panel is suitable for wedding decoration, shop decoration, and even as an event background wall, bringing a romantic atmosphere to different occasions.

Strong durability: Exquisite craftsmanship and sturdy structure give it a long service life and are durable.

Application areas:

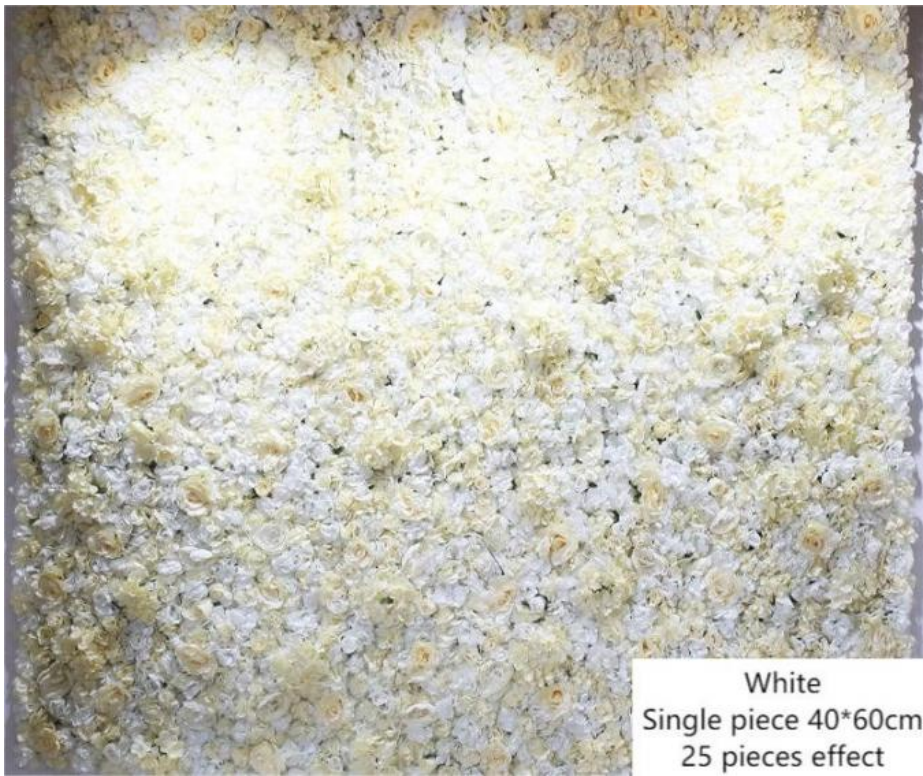

Wedding decoration: Create a romantic wedding atmosphere and create a dreamlike scene for the couple.

Store decoration: attract customers' attention, enhance the overall image of the store, and create a warm shopping environment.

Event background wall: As an event background wall, it increases the atmosphere of the event and immerses participants in the beautiful sea of flowers.
