## Product Description

With its unique design and material combination, the artificial rose wall provides a durable, beautiful and environmentally friendly choice for decoration in various occasions.

**Material:**

Made of silk flower plastic, combined with plastic materials for fixed interfaces, to ensure durability and stability. This combination provides a solid foundation for the creation of a flower wall.

**Use:**

It is suitable for background flower walls, door headers, showcases, etc. It can be hung on the wall or placed, and can be flexibly used in different occasions and spaces.

**Styling features:**

**Fixed interface design:** The fixed interface is made of plastic material, which is durable and ensures the stability of the flower wall for a long time.

**High-Quality Silk Flowers:** Select high-quality silk cloth as the basis of the flower wall, providing a natural beauty and touch.

**Three-dimensional design techniques:** Using three-dimensional design techniques, the flower wall presents a more three-dimensional and rich visual effect, which is pleasing to the eye.

**Pursuit of realism:** By pursuing natural realism, the product has a wider range of decorative uses, while saving time, making you more worry-free and more environmentally friendly.

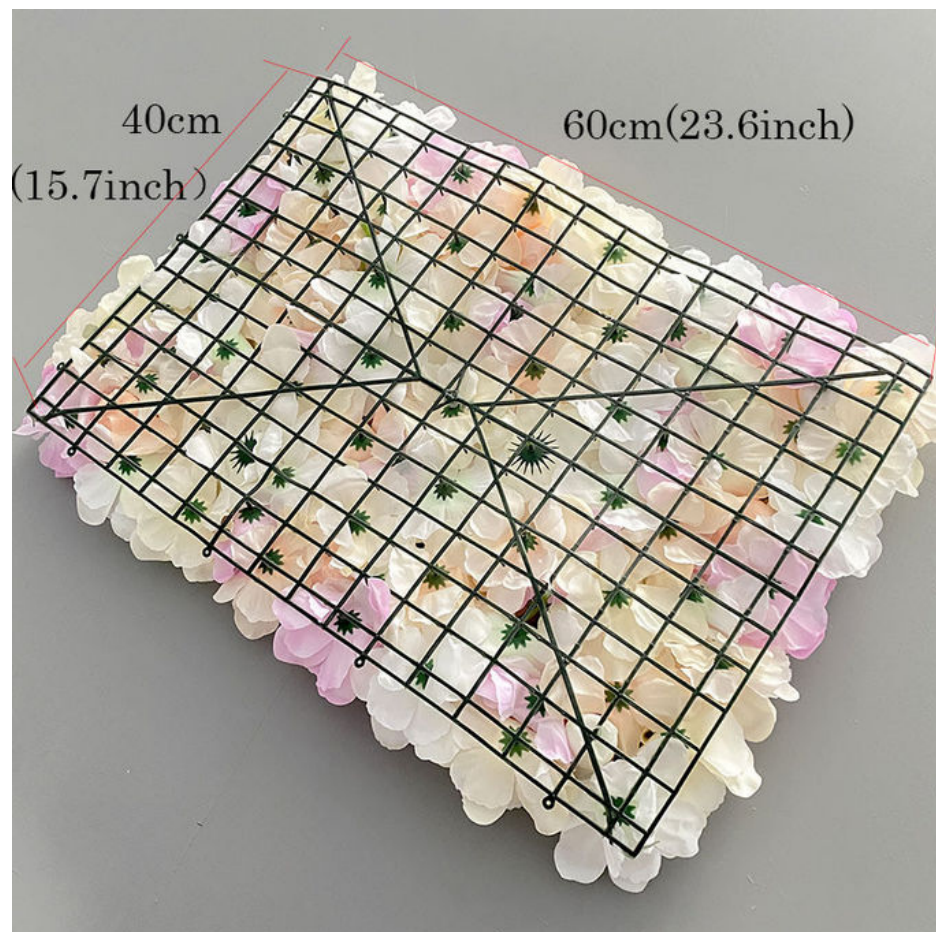

|          |                                                         |
|----------|---------------------------------------------------------|
