Product Description

This American-style artificial christmas wreath with lights is a unique Christmas wreath with a diameter of 30cm. Made of high-quality PVC and Rattan and other environmentally friendly materials, the total weight is about 300g, lightweight and easy to hang. Hand-woven and shaped, showing rich layering and exquisite details.

The carefully designed simulated outdoor window wreaths not only add a strong festive atmosphere to the furniture, but also match the lighting, emitting a warm glow at night, injecting joy and warmth into your space. Artificial pine wreath is not only a unique home decoration, but also an eye-catching holiday focus.

Whether hung on the door or used as interior decoration, these handwoven artificial xmas wreaths will create a warm and festive Christmas atmosphere in your home.
