Product Description

These faux Nordic artificial magnolia flowers are perfect for a delicate and warm feel. Each petal is full and the color is natural, just like a real flower with natural beauty. Through professional blooming technology, the flowers of silk magnolia flowers display a variety of beautiful flower shapes and bright and colorful colors. The highly simulated flower materials restore the natural shape of the flowers, making the petals clear, round and full.

The blades have clear textures, and the injection molding process makes the blades strong and firm. The included iron wire can be bent at will, increasing flexibility. This fake magnolia flowers is suitable for various occasions, injecting a fresh and natural beauty into the space. It can show its unique and charming charm in home decoration, event decoration or special occasions.
